Amity Institute of Information Technology,
AUUP, Noida

OFFER LETTER FOR AINST SUMMER INTERNSHIP 2026

Dear Mr. Dhruv Dhayal,

We are pleased to offer you an opportunity to join the Centre of excellence Nuclear Security, Education Training and Research Facility Program 2026 at Amity Institute of Nuclear Science and Technology (AINST), Amity University Uttar Pradesh. Based on your interest and performance during the selection process, you have been selected to participate in the internship related to application of Artificial Intelligence in Nuclear Science and Technology under Defence Threat Reduction Agency established under Amity- ORNL-TAMU Collaboration.

The internship will run from 18th May 2026 to 4th July 2026 and will involve in-person engagement at AINST. You will be working collaboratively with your assigned team members under the guidance of AINST faculty. The objective of the internship is to nurture innovation through your coding skills in selected cases.

During the internship, the student is expected to demonstrate sincerity, regular attendance, and active contribution toward project goals. You will be required to attend all review meetings, maintain documentation of your progress, and present your work at the conclusion of the internship period.

We look forward to your participation and are confident that this internship will provide you with valuable skills, exposure, and the experience of working on a real-world challenge.

Best wishes,

Prof. (Dr.) Alpana Goel
Director & Head
Amity Institute of Nuclear Science & Technology
